Dear Parents and Carers,

We are delighted to let you know that our school will be taking part in Cornwall Council's Farm and Country Roadshow on Wednesday 25th November.

Each Year 5 class will take part in a 45-minute interactive workshop, which links closely to our Design and Technology unit on healthy eating. Pupils will learn more about where food comes from, local farming, and careers in the rural sector.

Activities may include:

- Touch-and-feel boxes
- Agricultural jigsaws
- Milking a faux goat
- Learning about local food production
- Exploring rural careers

There is no cost to families, as the event is provided free of charge and supported through the Royal Cornwall Agricultural Association's educational charity remit.

We are looking forward to this exciting opportunity and know the children will enjoy this engaging and hands-on learning experience.

Yours sincerely,

The Year 5 Team
