'Learning today for the world of tomorrow'

Happy New Year everyone and welcome back! We hope you all enjoyed a restful and joyful Christmas break with your family and friends.

The children have returned full of enthusiasm and energy for the new term, and we have lots to look forward to over the coming weeks; including celebrating Chinese New Year, participating in various exciting sporting events and our county music festival.

Towards the end of the term, we look forward to meeting all of you in the parent-teacher consultations to share and celebrate the successes and progress of the children.

Here's to a wonderful start to 2023!

Online Safety

Last week we held an assembly promoting online safety and introduced the children to Vodafone's Digital Parenting magazine. We sent paper copies out to all our KS2 children to take home for further information.

Please can our KS1 and EYFS parents who won't didn't receive a paper copy please click the link below to take a look.

Parking

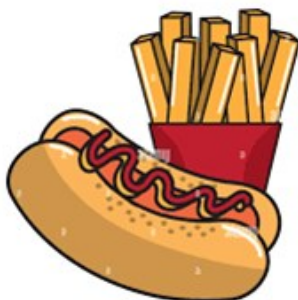

Please can we remind parents and carers about parking considerately, not near junctions, on the zig zag lines or over residents driveways. Many thanks.

Basket Ball News

On Wednesday, our newly-formed Basketball Team participated in the first of three fixtures at Helston Community College. After some brilliant coaching by Mr Studd, the team magnificently beat Mullion Primary by loads of points to nil. Everyone played exceptionally well and are looking forward to the following two fixtures. We are very proud of all the players for their efforts. Well done everybody!

Universal Infant Free School Meals - School Menu Change

On **Thursday 19th January 2023**, there will be a change of menu - the kitchen will be serving an American themed lunch of hotdogs and fries. We would be grateful if your child intends to take their Free School Meal entitlement at any time during this academic year that, if at all possible, they take a meal on this day, as this is the date the Government calculates the funding our school receives. On **Friday 20th January 2023** the kitchen will be serving homemade meatballs and sauce. On the following week there will also be a menu change due to us celebrating Chinese New Year, please await further information.

Role Models

Please see the link below to register for an upcoming webinar from [Role Models](#) (use this link to view their website), that we have been asked to share with you. This is a company that deliver online training to children and their parents. We are interested to hear if you do attend and find them useful so we can continue to share future webinars with our school community.

How to Develop Confidence in Children, delivered by a company called [Role Models](#)

One of the biggest gifts we can give our children is confidence. Throughout their childhood, children are building their internal picture of how they view themselves; their self-esteem, self-efficacy and mindset are being shaped. What can we do to positively impact these important life skills?

Testimonial: The organisation Role Models are experts in character education, providing useful tips for parents and courses online and in person for children. They give children the tools they need to overcome challenges and believe in themselves, so they can face the future with confidence.
