We're teaching every child to read with Little Wandle Letters and Sounds Revised

'Learning today for the world of tomorrow'

Dear All,

Welcome back to the second half of term, I hope you and your family enjoyed the break last week.

Maths Week

Children came back to the exciting week that is MATHS WEEK this week. In our assemblies today we have heard about how children have been learning about real life maths in the context of our interesting and amazing county of Cornwall. Below are some photos of the week's activities around school.

The children have enjoyed learning maths through everything Cornwall this week!

Part of our school intent is to celebrate our Cornish identity and the community around us. We have been focussing on the rich maths learning opportunities that Cornwall has to offer. From exploring patterns on the Cornish flag, to measuring ingredients to make Cornish treats, the children have enjoyed a wealth of creative and intriguing activities. The Year 6 children are looking forward to continuing this next week as they visit the Eden project to discover a world of pattern in nature.

Parking

We all know about the ongoing challenge we have at our school around Parking and Road Safety at those peak times of the day. In the past we have been able to suggest that dropping off at the gate, allowing your child to hop out the car, is acceptable. Unfortunately, this is no longer the case. We must now encourage you to drop children away from the yellow zig-zag lines in order to allow safer crossing for all families at the school gates. You must not park or drop-off your child on the zig-zag markings at each gate. Tickets will, and have been, issued by the police.

Diary Dates for the Fridge

Today we are sending your child home with a paper copy of **Diary Dates for the Fridge!** As well as an electronic copy attached.

We hope you find this useful and helps plan ahead for this busy term. We have provided an overview of important events through the term but especially in advance of our Christmas celebrations. We will of course keep you updated if things change or are added to the calendar. Please do stick it on the fridge for future reference.

Happy Weekend

CHRISTMAS JUMPER SALE DONATIONS NEEDED PLEASE

We've all got Christmas jumpers at home that don't fit our children any more. So, we are organising a pre-loved Christmas Jumper sale at school.

If you have any Christmas jumpers that no longer fit your child and you would like to donate them, please drop them into reception any time you are able from today.

We plan on having two Christmas Jumper sales in November (15th and 22nd) from 2.30pm-3.30pm in the school hall.

All proceeds from the sale will go towards the school and straight back to the children. Any left over jumpers will be donated to a local charity shop. The pre-loved uniform 'shop' will also be open on those dates for anyone looking to top up their child's school wardrobe. Again, any good quality, clean uniform donations to the office please.

Foundation & Year 1 Christmas Costumes

We are looking for donations of costumes to use in a traditional nativity scene (aged 5-7, approx.). We would be very grateful for costumes for Mary, Joseph, kings, angels and shepherds.

If you are able to help us, please take your donations to the school office by Friday, 11th November.

Many thanks for your continued support.

Next week, our school menu will be on **WEEK 3**
