*'Learning today for the world of tomorrow'*

Dear Parents

It's been another very busy, but highly enjoyable week in school this week.

One of the exciting things has been being able to again focus on trips. We have always known and appreciated the benefits that trips and visits have on your child's learning. These benefits are far reaching and do not always focus on academic rewards. There is so much to gain from learning in a different context away from the classroom, and the first-hand experiences are more memorable. Class teachers aim to plan in as many different experiences as possible whilst supporting high impact learning whilst being focused on keeping costs to a minimum.

The newsletter today includes details of our Choir's first trip this week. Several more are planned for later in the term.

Your kind generosity last week with donations for Food Bank resulted in the invitation for our school council to visit and have a tour of the premises and see for themselves the work involved in giving to those in need. This will be arranged for after half term.

Residential are now booked for Y4, Y5 and Y6 so we will be chasing up the payment of deposits so you can secure your child's place. You should be able to see payment being requested on ParentPay.

## Swimming

Thank you to everyone who has paid for this term/this year's swimming fees. If you haven't, as usual, you can pay on ParentPay or via cash or cheque to the office. This is £10 per term or £30 for the year, per child. There are discounts if you have more than 2 children, please speak to the office if you need further information. This year the money is being used to purchase brand new benches in the changing rooms. Thank you in advance.

## Parc Eglos Job Vacancies

We have a number of vacancies being advertised now and in the coming weeks please keep an eye on the website if you are interested in becoming a Lunchtime Supervisor or a Teaching Assistant in school.

## Boomerang Breakfast and Afterschool Club

We cannot accept any child/children into the club, before or after school unless they are booked in advance. Bookings need to be made the week before, the cut off is Thursday lunchtime, to ensure you can get your child/children a space. If asked after this date we apologise but your child will not be allocated a place. This allows us to staff and resource this club. We really appreciate your support. Thank you, The Boomerang Team.

## Enterprise Week

Year 6 received a lovely 'Thank You' card from the Team at Last Chance Hotel. This is the charity the children chose to donate the proceeds from their stall at Enterprise week. Their fundraising and support was greatly appreciated.

### Choir News

On Wednesday afternoon this week, the school choir performed a selection of songs for the Helston Friendship Group, at Hen's Horn Court. 20 children from years 3 to 6 took part in the visit and did a superb job of singing and entertaining the very appreciative group. Afterwards the children chatted to members of the audience and enjoyed sharing refreshments with them. We were very proud of the way the children represented Parc Eglos in our first public performance for several years!
