'Learning today for the world of tomorrow'

Thank You Everyone

Many thanks for all your support through the first half of this term. Although it has been challenging at times as we have been settling into new classes with new adults we have successfully made it to half term and have so much to celebrate. Many of you will have met with your child's class teacher this week and hopefully your discussions will have shown what a great start has been made already. In assemblies today we have celebrated success in reading, with Times Table Rockstars, and many many of the virtues; commitment, concentration, joyfulness, diligence, are just some that were mentioned today. Well done everyone for the hard work over these first weeks of the term.

Always Happy to Help

Life can be such a challenge at the best of times but even more so of late, it does like to throw us a curve ball or two! At Parc Eglos we have always been willing and able to help where we can with all things related to your child's learning in school but we are now becoming better placed to offer support and advice in lots of other ways too. This week some of us have attended a number of different events and meetings to find out what further help and advice is on offer and how we can better support you and your family now and in the future. We are working with several different organisations to widen support in these challenging of times. Whether you need advice on your child in school, out of school or for their siblings.

There is more available through the Navy Children's Charity who can support children whose parents serve, or have served, in the Royal Navy. Along with several other charities who can help our forces children. We have info from The Family Hub who can advise on parenting, and I know from experience how challenging that is with children of all ages. There never seems to be an 'easy' age does there, every stage just gets 'different' I reckon.

Whatever your challenge, if it's academic, social, emotional, financial, a challenge with your child or yourself please, please let us know, come and chat with me to see what can be done to make family life a little less challenging and a lot more enjoyable.

Hope you and your family have an enjoyable half term break, we will see you all back at school on Monday 31st October.

Stay safe and happy,
Mrs Banner

Absent Children

If your child is going to be absent from school due to illness or any other reason, it is really important that Parents/Carers please notify the school office by 9am at the latest on the day of absence. Thank you.

Year 1 Enterprise Week

We had a lovely letter for our Year 1's this week from Helston and The Lizard Foodbank, they send thanks for their donation of £74.71 which the children raised during enterprise week. This will enable support for vulnerable people in our local community. Thank you!

Flora Day 2023

Helston Flora Day will take place on Friday May 5th 2023 next year to avoid clashing with the King's Coronation Day. School will be closed on this day.

Royal Navy Marines Charity Visit

We had a visit from Kate Hughes from The Royal Navy Royal Marines Charity this week, pictured here collecting a cheque for monies raised from our Camo Day donations. Thank you to everyone!

Considerate and Safe Parking

Please can we remind parents and carers about the importance of safe parking. This week we have seen cars parked directly opposite the bottom gates, on the zig zag lines and across local residents driveways. Some of our children walk to school without an adult so it is essential they have a clear view to cross without having to pass in between parked cars. Please do not park in these places for the safety of our children. Thank you for your cooperation.

After half term our school menu will be on **WEEK 2**
