'Learning today for the world of tomorrow'

Thank you, Thank you, Thank you!

We have been thrilled by the response from you to our Harvest collection this year. As you can see from the picture we received so many donations of food, it made a great display in assembly. All your donations have been kindly received by Helston and The Lizard Food Bank, as Mr. Pennell delivered a car full of bags and boxes to them this morning. In our Harvest assembly we were celebrating the virtue of Thankfulness and how much we thank those involved in farming and food production, how this involves a global food system bringing food from all around the world to the tables in our homes. This finished by thinking about how we can share what we have with anyone less fortunate.

Both the words eat and share can be made from the letters in HARVEST, how about seeing how many other words your child can find from the letters in HARVEST over the weekend.

Data Collection Information Sheets

We will be sending out Data Collection Information Sheets this week, please check these and if any of your contact details have changed please amend these on the sheet and return to the school office. Many thanks.

**UPDATED INFORMATION
REQUIRED**

Tempest Photographs

Everyone should receive their Tempest Photo Proof on Friday in your child's bag, ordering has changed slightly this year as you now have to order online direct with Tempest. Details are with the proofs. Thank you.

Year 6 - Mini Police

Over the last two weeks the Police have been in training our Year 6 children to become mini-police officers. Their training has included the role of a police officer, internet safety, antisocial behaviour and local concerns such as road safety and littering in the park. After making posters, the year 6 children have displayed these in the park and outside of school.
