

'Learning today for the world of tomorrow'

Please see below out end of Key Stafe 2 results for 2021/2. We are sure you will agree, they are absolutely stunning and a great treatment to all the hard work we have all put into our children. The staff have worked so hard with theses children for many years and the icing on the cake has been the progress achieved by the amazing Y5 and Y6 team since the children returned to school. The support from parents and the community particular during the lockdown has so helped us to achieve this standard. As you know our school has been judged as Outstanding by OFSTED since 2011. These results are truly outstanding and are by far the best results we have ever had. Year by year, with a few bumps on the road, we have continued to improve and can be so thrilled at where we now find ourselves. As a community we can be so proud of what we do for our children and these results just confirm how well we have worked together for so many years for the good of all our children.

Key Stage 2 Achievements at School and National Level

(Percentage of children who have reached the expected standard)

	Reading	Writing	Maths	RWM (All 3)	GPS	Science
National	74	69	71	59	72	79
Parc Eglos	85	84	84	74	79	84
Difference	+11	+15	+13	+15	+7	+5

GPS - Grammar Punctuation and Spelling

RWM - Reading Writing and Maths

We do not have the national results for greater depth but on average 34% of our children achieved that in Maths, Reading and Writing which will also be well above the national picture.
