We're teaching every child to read with Little Wandle Letters and Sounds Revised

'Learning today for the world of tomorrow'

Medical Information

Please help us in our mission to update all medical records we hold for your child. Your help is urgently required.

Mr. Flint is currently going through the records we do hold detailing health care plans for children with medical needs. Please expect a phone call to check these details with you next week. If by the end of the week you have not received a call, please get in contact with school to speak with Mr. Flint.

If you know that you have not filled in any medical forms for a new or existing health condition that your child has these are available on request.

Parent Consultations

Please keep an eye out on your emails next week, we will be sending out booking forms for Parent Teacher Consultations. Appointments will be face to face meetings for 10 minutes with your child's class teacher. Please only book one time slot, if there are any problems and you need to change your time contact the school office.,

Harvest

At this time of year we like to celebrate harvest and support our local Helston & The Lizard foodbank and The Mustard Seed. On Thursday we will be holding an assembly with children from Y1 - Y6. As normal we will be collecting donations of non perishable food items e.g. rice, pasta, packet sauces, tinned and dried goods, please send in throughout next week, and thank you for any items you are able to donate.

Parking

Please can we remind parents/ carers to park considerately and safely around the school/local area. We have had several reports this week of cars parking across local residents driveways. Many thanks.

PARC EGLOS RETAIN CROWN

Monday saw Parc Eglos send four teams to the badminton competition at Helston Community College. All the children performed superbly well, which resulted in Parc Eglos winning the overall competition and retaining the crown we won last year! Well done to all the children who participated - what a great experience for them all!

Universal Infant Free School Meals - School Menu Change

On **Thursday 6th October 2022**, there will be a change of menu - the kitchen will be serving Fish Fingers and Chips. We would be grateful if your child intends to take their Free School Meal entitlement at any time during this academic year that, if at all possible, they take a meal on this day, as this is the date the Government calculates the funding our school receives, based on meals taken that day. On **Friday 7th October 2022** the kitchen will be serving homemade meatballs and sauce. The menu will return to normal the following week.

Thank you.

Next week, our school menu will be on **WEEK 2**
