| EYFS 1 <br> Tadpoles <br> Frogs <br> Both-(Tadpoles \& Frogs) | Theme: All About Me <br> Explore fitting into different spaces e.g. dens/tunnels. Complete inset puzzles. Combine objects to construct, build and balance. <br> Recite numbers to 5 through songs and rhymes. Represent numbers on our fingers. <br> Discuss and describe routes and locations using words like in front of and behind. Talk about and identify patterns around us e.g. stripes on clothes, designs on rugs and wallpaper. <br> Listen to positional language e.g.- behind, on top of. <br> Explore number through singing nursery rhymes. <br> Use language of time based events e.g. home time. | Theme: Sparkles, Light and Colour <br> Build with a range of resources. <br> Count in every day contexts e.g. when walking up the steps. <br> Extend repeating patterns. <br> Subitise- recognise up to three objects without counting them. Describe a familiar route. <br> Say one number for each item in order 12 <br> 345 <br> Explore and use 5 frames. <br> Select particular shapes and items to construct with. | Theme: Fantastic Fairy Tales <br> Compare amounts using words like lots, more and same. <br> Say some number names in sequence. Compare sizes and using gesture and mathematical languagebigger/little/smaller, high/low, etc. <br> Experiment with marks to represent numbers. Explore and talk about 2D \& 3D shapes using mathematical language e.g. <br> sides/corners/straight /flat. <br> Make comparisons between objects relating to size, length, weight and capacity. <br> Subitise-recognise numbers on a dice without counting them. <br> Count claps, jumps and steps. <br> Notice and find shapes in the environment. | Theme: Ready, Steady, Grow <br> Compare weights using gesture and mathematical languageheavy, light etc. <br> Sing number nursery rhymes. <br> Notice patterns and arrange things in patterns. <br> Create ABAB repeated patterns. Select shapes appropriately for a purpose e.g. a triangular prism for a roof. Draw a tally to represent numbers during competitive games. <br> Measure in different ways. <br> Develop problem solving skills. | Theme: Old and New <br> Notice when the amount of items changes in a group of up to three items. Understand language ond time based events e.g. later, soon, before... <br> Link numerals and amounts e.g. 5 sticks to number 5 . <br> Count out objects and recognise that the last number reached is the total amount. <br> Understand position through words alone e.g. the bag is under the table. <br> Notice and correct an error in a repeating patterns. | Theme: Holidays <br> Notice patterns and arrange things in patterns. <br> Complete jigsaw puzzles. <br> Compare amounts and use mathematical words e.g. lots, more, same. <br> Solve real life maths problem with numbers up to 5 . <br> Compare quantities using language of more than and fewer than. Begin to describe a sequence of events using words such as first, then... <br> Combine shapes to make new ones. <br> Describe the properties of 2D and 3D shapes e.g. sides/corners/curvy/fl at. |
