'Learning today for the world of tomorrow'

In light of the current rise of COVID cases in the community, please see the below, which is current advice from the Health Protection Team:

COVID

It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

COUGHS AND COLDS

It's fine for a child to attend school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

Encourage children to throw away any used tissues and to wash their hands regularly.

HIGH TEMPERATURE

If a child has a high temperature, keep them off school until it goes away.

Universal Infant Free School Meals - School Menu Change

On Thursday 5th October 2023, there will be a change of menu - the kitchen will be serving a Superhero themed lunch. We would be grateful if your child intends to take their Free School Meal entitlement at any time during this academic year that, if at all possible, they take a meal on this day, as this is the date the Government calculates the funding our school receives, based on meals taken that day. On Friday 6th October 2023 the menu will return to normal.

Flu Vaccine Information

In 2023/24 all children in Primary Schools from **Reception to year 6 (inclusive)** will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter www.nhs.uk/child-flu to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

We are due to visit your child's school on **Friday 29 September 2023**. In order to access the online consent form, please enter or click on the following link:

<https://www.kernowimmunisations.co.uk/Forms/Flu> **PLEASE ENSURE YOU ENTER THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your child's school is: EE143994**

Please submit your consent form by **midday Wednesday 27 September 2023** to ensure your child receives their vaccination. If you experience any problems accessing the form please **telephone 01872 221105 for Cornwall schools and 01392 342678 for Devon schools** and the team will be happy to help. Please note that as in previous years **you must opt into** the programme. If a consent form is not submitted your child will not be vaccinated.

Boomerang

Breakfast and Afterschool Club

We cannot accept any child/children into the club, before or after school unless they are booked in advance. Bookings need to be made the week before, the cut off is Thursday lunchtime, to ensure you can get your child/children a space. If asked after this date we apologise but your child will not be allocated a place. This allows us to staff and resource this club. We really appreciate your support.

Thank you, The Boomerang Team.

On return, our school menu will be on **WEEK 1**
