'Learning today for the world of tomorrow'

Helston Town Council

A group of children from year 6 attended the Guildhall on Tuesday evening to meet with the Mayor and other Council officers to learn about the workings of the Town Council. As well as questioning the Mayor as to his role, children took part in a debate with the Mayor and other Town Councillors regarding the lack of facilities for young people in Helston. Ideas that were discussed included a youth centre providing a safe space where youngsters could take part in activities such as crafts, cooking and board games. Of importance was the chance for our young people to be able to socialise and be away from technology and their screens. There was a unanimous vote that further facilities were needed and the Town Council are going to keep us informed as to future developments.

School Discos

The children had a marvellous time at the discos over the past two weeks. Smiles were beaming with lots of proud adults joining in the fun. Thank you to the DJs and the wonderful PTA members who gave up their time to help. Our children are so lucky to have such a dedicated team! If you would like to become part of the PTA, please come to their next meeting at the Coffee Bean on Wednesday night 7:30pm.

Songfest 24 Rehearsals

Year 5 singers enjoyed a rehearsal for Songfest 24 last week with musician Patrick Bailey. He worked with the group for over an hour, practising the sea shanties which we are performing on stage at Falmouth Pavilion next month. We had lots of fun singing along to his accordion accompaniment and even learned some actions to some of the shanties! The children are looking forward to showcasing the skills they learnt at Songfest 24!
