

Thursday 26<sup>th</sup> September 2024

Dear Parents/Carers,

As part of our learning in Geography this half term, we would like to take the children on a walk around our local area to look for physical and human features, for example, hills and rivers, and shops and roads. For this to happen, we are asking for some volunteers to accompany us on our walk, to help to ensure that the children remain safe.

The dates we are proposing are either Thursday 10<sup>th</sup> October or Thursday 17<sup>th</sup> October. We would be looking to leave school after lunch, at around 1:15pm, and would be back into school before the end of the school day.

If you would be able to support us on either of these dates, could you please let us know by completing the online form (please see links below) by Thursday 3<sup>rd</sup> October. Once we have the responses and know which date we have more volunteers, we will send a follow-up letter to let you know which date the walk will go ahead on.

Many thanks for your support,

The Year 1 Team

---

Please use the link or QR code below to complete the form to indicate if you are able to help on either of the dates stated.
