## Parc Eglos News

### Messages from Mrs Sanderson

Dear Parents/Carers,

It has been a super week of learning and it has been great to see so many parents at our Welcome Meetings, where we have been sharing the overview of your child's forthcoming year here at school. Please remember that Y6 and Y2 open afternoons are next week—see dates.

#### Parental Consultation: Values and Visions

We are undertaking a review of our values and vision and are seeking the thoughts of our parent and carer community. Please complete the form, available here:

<https://forms.office.com/e/3VhsJppH0j>

to help us form our values and vision for our school. Please do so by Friday 27th September.

#### Considerate Parking

Thank you all for working with us to ensure that children can cross the road to school safely. Miss Morris-Marsham and myself have been on gate duty this week, and have noticed a real difference in people not parking on the yellow lines - thank you.

As ever, if you have any concerns or question, please do get in touch [parcegloshead@croftymat.org](mailto:parcegloshead@croftymat.org).

Have a lovely weekend,  
Mrs. Vicky Sanderson

### Foundation News

This week, Poldhu and Gunwalloe Classes have been enjoying exploring and using the outdoor areas in our school grounds. In the woodland, they have ventured along the pathways through the trees to find different plants and flowers and to look closely for any evidence of birds, animals and insects in their natural habitats. On the playground, they have been using the bikes, trikes and the outdoor equipment to practise their physical skills and they really enjoyed their first Supa Sports session with Mr Potts! In the garden, the children have been engaging in imaginative play, using the rope bridges to climb and balance and finding natural resources to make their own creations. What a busy week!

## Home learning—Reminder

This year we are focusing on reading as our required priority homework. Therefore, we request that all children read their school reading book every night and get their reading records signed by a parent/carer. Further information on this will be shared at our open afternoon on phonics and reading. We will be sending home weekly spellings for children to practice from Reception-Year 6, which will be tested weekly. We will also be sending home logins for Times Tables Rock Stars and Maths Whizz for children from Y2-Y6 to continue their maths learning at home. Further details to follow.

Please note that the spellings and maths home learning will help your child consolidate their in-school learning, however is not mandatory

# Sports at Parc Eglos

## Sporting news...

Well done to all the children who took part in the first cross country event of the season. We had nearly 40 children represent our school from reception up to Year 6 which is amazing! The sun was shining and there were huge smiles, lots of resilience and some great individual performances. Thank you to all the parents for supporting this event. We hope to see you all and even more children at race 2 which is at Mullion on October 8th at 4pm. The sign up for this event will be coming out very soon.

This week our extra-curricular Sports clubs have started in school. The children have really enjoyed and thrived in the sessions offered by Jo and Plymouth Argyle. Please click the links below for more information or if you would like to book your child on to one of the clubs for this half term.
