## Parc Eglos News

### Messages from Mrs Sanderson

Dear Parents and Carers,

Thank you to everyone who brought in a donation for the, now Christmas, tombola. Our fabulous PTA worked so hard to try to provide a Summer Fayre, which then due to weather conditions, moved to an Autumn Fayre, but unfortunately their best endeavours were thwarted, and the difficult decision to put all focusses on providing a GREAT Christmas fayre was taken. We look forward to the Christmas Fayre on the 6th December.

#### Wrap Around Care—Boomerang

Thank you so much to the parents who have offered feedback regarding the booking of our Wrap Around Care. We are moving our booking system to ParentPay very soon (details to follow), but in the meantime, in light of your feedback we have made some alterations which will allow you to block-book child care in advance, and up to 2:30pm on the afternoon you require afterschool club/ breakfast club for the next day. (Please see separate email regarding full details.)

I hope that these adaptations are effective and easier for parents to manage, but as ever any feedback is gratefully received.

Have a lovely weekend,

Vicky Sanderson

### Home learning

This year we are focusing on reading as our required priority homework. Therefore, we request that all children read their school reading book every night and get their reading records signed by a parent/carer. Further information on this will be shared at our open afternoon on phonics and reading.

We will be sending home weekly spellings for children to practice from Reception-Year 6, which will be tested weekly. We will also be sending home logins for Times Tables Rock Stars and Maths Whizz for children from Y2-Y6 to continue their maths learning at home. Further details to follow.

Please note that the spellings and maths home learning will help your child consolidate their in-school learning, however is not mandatory.

## Foundation News

This week as Mathematicians, Poldhu and Gunwalloe Classes have been thinking carefully about how to sort objects into groups. They have been very creative with their ideas, using the properties of colours, shapes and textures to decide their own rules for sorting. As performers, the Foundation children have been enjoying singing number rhymes and learning to use their fingers to show 1 more and 1 less to 5. Well done, Mathematicians!
