Thank you to the children for their positive attitude to learning and the effort shown throughout the week. Well done!

This week's 'Ask me...'

- About our book of the week, Tiddler- What was your favourite part of the story? Why was Tiddler always late for school? Can you remember one of the stories Tiddler told? Can you remember our 'Get up, Stand up' words? Show me the actions that help you to remember.
- About busy learning - Who did you play with? What did you do together? Did you try something new? Did you paint using the watercolour paints? Were you pleased with your painting? What was your favourite woodland activity?
- About our writing - Did you enjoy writing during phonics? Can you remember which special friends you used in your spellings? Do you remember what we call the gaps between the words? Did you do any independent writing? Tell me about it.
- About our number work- Can you count to 20? Look around you, can you spot any patterns? Can you describe the pattern? Can you make your own patterns? You could use toys or natural materials.
