Dear Parents/Carers,

RE: Local Beach Trip – Wednesday 16th July

As part of our Geography learning this half term, we are discussing why we like to live beside the sea. To help us with our learning, we are hoping to plan a trip to a local beach - Gunwalloe. While there, we will be looking for examples of physical and human geography, looking for habitats, exploring the impact of humans on the environment and enjoying some beach related activities!

This trip will take place on Wednesday 16th July for the day. To keep this trip free of charge, we are asking that parents/carers drop their children to Gunwalloe beach between 8:45-9am and collect them between 2:30-3:15pm. We recognise that some parents may not be able to do this, therefore please liaise with each other to see if lifts are possible. If you are unable to arrange transport, please let your class teacher know who will help with arrangements.

In order for the trip to run smoothly, we will need **at least** 5 parent/carer helpers per class, but the more the merrier! Please complete the form below to let us know whether you would be able to help. Once we have had your responses and we know how much support we will have, we will send out another letter with further information.

Please complete the form below **by Friday 4th July** at the latest so that we can appropriately plan adult support.

We will send out another letter with what your child will need for the day closer to the time.

Many thanks for your continued support,

The Year 1 Team
