

Thursday, 10 July 2025

Dear Parents/Carers,

Thank you again for all of your help in organising your own transport to and from the beach trip on Wednesday 16th July.

We just wanted to share some important details with you for the day:

Please use the following 'What 3 Words' to find the location of the National Trust car park where we will meet on the morning. You can download the App and then enter the following words:

possible.obliging.pothole

Alternatively, you can use the following post code in Google Maps to find the National Trust car park:

TR12 7QE

If you are staying to help and you, or a family member, have a National Trust card, you can park for free. If not, you will need to purchase a ticket from the machine. You can do this with cash or via the JustPark App. The costing will be £8 for over 4 hours - sorry!!

We are really excited about our trip and looking forward to lots of fun together!

Many thanks,

The Year 1 Team
