

Monday 14<sup>th</sup> July

Dear Parent / Carers,

We are coming to the end of our Design and Technology 'Fruit and Vegetables' unit. As part of their final challenge, children will be working together to make a fruit smoothie.

After some careful deliberation, we have decided that rather than asking you to provide ingredients, we are asking for a £1 donation towards the cost of ingredients instead. Logistically, this makes more sense as it will reduce any food waste, as we will only be buying what we need.

Please can cash donations be handed to each class teacher by Thursday 17<sup>th</sup> July.

As always, thank you for your continued support with your children's learning.

The Year 1 Team.
