

Tuesday 16th September 2025

Dear Parents/Carers,

As part of our History learning this half term, we are learning about how shops in our local area have changed over time. In order to enhance and deepen the children's knowledge, we would like to take them for a walk around Helston town to have a look at the shops and then compare what we can see now, to images of the shops in town from the past.

This trip will take place on Wednesday 1st October in the afternoon, from 1pm to approximately 3pm. Once back at school, any helpers will be able to take their child straight home. Please be aware that you will still need to collect any siblings at the usual pick up time of 3:15pm.

For this to happen, we are asking for some volunteers to help us walk with the children and keep them safe. If you are able to help, please click the link below and complete the form by Wednesday 24th September.

Many thanks,

The Year 1 Team
