Tuesday 31st March

Homework

Reading – out loud to an adult.

READING

- Just like in Year 4, children will have a reading book based on their zone of proximal development.
- Children will be assessed half termly in school using the AR algorithm to establish their reading range.
- The login details for your child will remain the same as last year.

Books and articles you can read right now

Extras to help your child:

- Each Monday children are introduced to their new spelling rule. This includes a list of 10 words. Games and activities to practise these can be found on EdShed (logins remain the same as in Year 4).
- Children have 3 sessions in school learning the spelling rule for the week and practising related activities, such as putting the word into sentences or breaking it into syllables.
- Every Friday children will practise spelling the common exception words.

Extras to help your child - Maths:

We recommend 3
gems per week – log
ins remain the same
as Year 4.

Great for developing
confident fast recall of
multiplication and
division – logins remain
the same.

Library

We will visit the library each Wednesday afternoon for half an hour. Library books will be AR books as there is a large selection to choose from. During library time, we complete 'book club' where we share the books we have been reading.

Extra Information

- A termly newsletter will be sent highlighting curriculum coverage and upcoming dates.
- Please make sure everything is named.
- Children are encouraged not to bring items from home.
- We have an open-door policy, please talk to us if you have any questions or concerns, or if you want to inform us of anything that may be happening at home that could have an impact on your child.

Any questions?

If you would like to talk in private,
please catch us at the end.

Thank you for coming!

Please can you wait outside the classroom, and we will send the children as soon as they are ready to leave.
