

Dear Parents and Carers,

We are delighted to share some exciting news with you – our new school Facebook page is now live!

This page has been created as a space to celebrate the achievements of our pupils. It will allow us to showcase the wonderful things happening across our school in a more accessible and engaging way.

Please be aware that our page is not a platform for discussion and queries. If you have a question, concern or complaint, then please contact the school directly.

Over the coming weeks, we look forward to posting highlights from lessons, events, and special moments, giving you a greater insight into the experiences your children enjoy each day.

We would love your support - please give our page a follow!
