

Dear Parents and Carers,

Following a great deal of helpful feedback from parents, we are pleased to let you know that our school calendar has now been moved to our website.

We hope that this change will make it much easier and more accessible for families to keep up to date with everything that is happening in school. The new online calendar can be viewed in three different formats, allowing you to choose the layout that works best for you:

- Monthly view - for a broad overview of upcoming events
- Weekly view - to see the week ahead in more detail
- Schedule view - a clear, list-style format of events

You can switch between these views using the options shown in the images below.

The calendar link will continue to be shared each week in our newsletter (The Pen), and you can also access it at any time via our website using the following link:

<https://parc-eglos.croftymat.org/calendar/> or by navigating to

Communications -> Parents -> Calendar.

We hope this new format will support you in staying informed and organised. As always, we welcome any further feedback.

Thank you for your continued support.
