

PEAK Clubs 2026/27

Dear Parents and Carers,

We are pleased to announce that we will be running our **PEAK Clubs** throughout the 2026/27 academic year.

Our clubs will provide children with a fantastic opportunity to develop new skills, explore their interests and enjoy enriching activities beyond the school day. We are delighted to be able to offer a range of exciting opportunities for pupils across the year.

Please note the following information regarding club participation:

- Clubs will operate on a **first come, first served** basis.
- Numbers for each club will be **limited**, depending on the activity being offered.
- To enable us to provide resources and run the clubs successfully, there will be a **£5 charge per child, per term**, for each club attended.
- Clubs will run for the **full term** (Autumn, Spring or Summer). Specific dates for each club will be shared prior to the start of each club alongside confirmation of an allocated space.
- **No clubs will take place during the final week of any full term.**
- All clubs will run from **3:15pm until 4:15pm.**

To ensure that as many children as possible have the opportunity to participate, we will initially ask that each child signs up for **one club per term only**. If spaces remain after the first allocation, we will send out further information inviting children to sign up for an additional club.

As places are limited, we ask that pupils commit to attending regularly once they have secured a place. If a child misses **more than two consecutive sessions**, we may need to reallocate their place to another child on the waiting list.

To sign your child up to any of the above clubs, please complete the form below by Wednesday 9th September at 1pm.

[PEAK Clubs - Autumn Term 2026 – Fill out form](#)

We will confirm with you whether your child has a place on the club Thursday 10th September, at which point the £5 payment will be allocated to your ParentPay.

Thank you for your continued support. We look forward to offering our first successful year of PEAK Clubs and providing our children with a wide range of exciting opportunities outside of the classroom.
