

PEAK Play Launch – Can you help?

Dear Parents/Carers,

We are excited to announce the launch of PEAK Play (Parc Eglos Active Kids Play) at school this year.

At Parc Eglos, we recognise the importance of play in supporting children's wellbeing, social skills, creativity and physical development. PEAK Play aims to provide children with a wider range of engaging play opportunities during breaktimes and lunchtimes, helping them to develop confidence, independence, teamwork and imagination through positive play experiences.

As part of the launch, we will be introducing new play resources and activities gradually throughout the year. This will allow children to learn how to use equipment safely, respectfully and responsibly, ensuring that everyone can enjoy PEAK Play successfully. We will also be launching a team of PEAK Play Ambassadors, who will help to promote positive play, support younger children and encourage everyone to take care of our resources.

To help us get started, we are looking for donations of role-play resources that are clean, safe and in good condition. Role play is a fantastic way for children to develop communication skills, creativity, problem-solving and cooperation while having fun with their friends.

We would be grateful for donations such as:

- Dressing-up clothes (Ideally suitable for KS2 children, as we already have a good supply for KS1.)
- Bags
- Hats and helmets
- Children's role-play props
- Puppets

If you have any suitable items that your family no longer needs and would be willing to donate, please send them into school to the office in a named bag.

As PEAK Play grows, we hope to continue expanding the range of activities and resources available to children. Your support and donations will help us create exciting, inclusive and enriching play opportunities for all pupils.

Thank you for your continued support.

Kind regards,

Emma Blewitt
