SATs

Autumn Term – running as normal. We don't want Y6 to be stressful

Spring Term – Focus may be on certain aspects, such as arithmetic and SPAG. It will certainly not be the main focus. We will practise and prepare but not in an overpowering way.

Summer – SATs week is May 10th 2026.

4 days

Breakfast

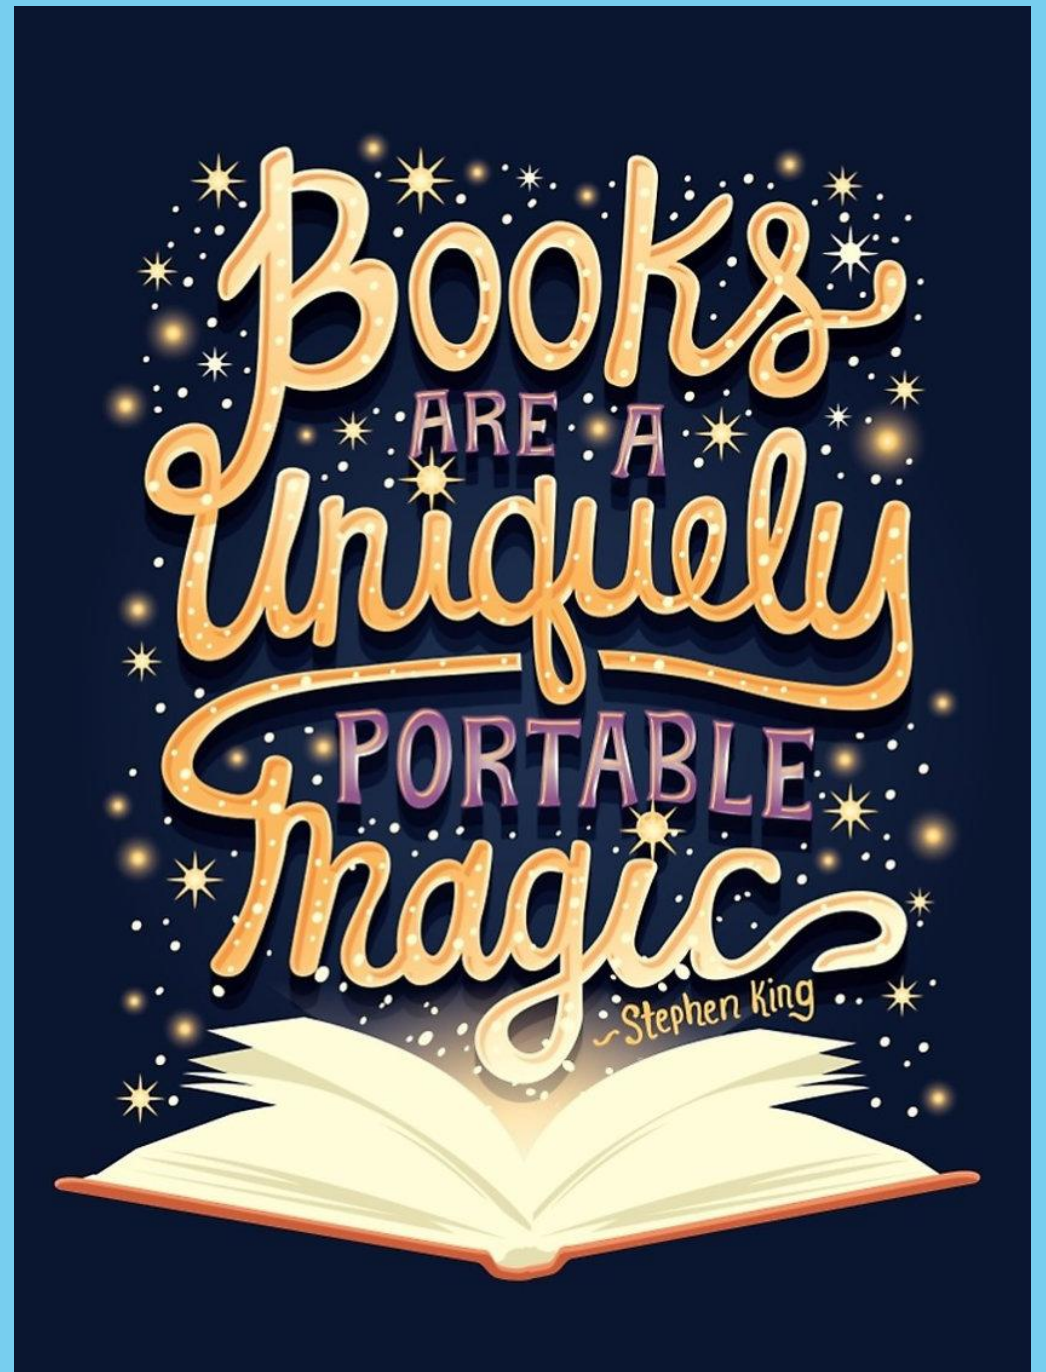

Spellings

- Every week, children will be introduced to new spellings. Children will then practise these for the rest of that week but there is no actual test every week.
- Children can access these spellings through games at home on their devices using the Spelling Shed app.
- Your child has an individual login. We can send these home again if children have forgotten them.

READING

- Children will have access to an accelerated reader book or they can borrow from our class library and change as they wish. We will check their choices to ensure they are suitable.
- Children will be assessed half termly using the AR algorithm to establish their ZPD reading range.
- Reading Journeys

Homework

- The minimum amount of homework expected at Parc Eglos is daily reading.
- We will be using the reading journeys to keep track of what, and how much children are reading.
- We also encourage playing the games on Spelling Shed and regular TTRS.
- In Y6, we also send home maths arithmetic homework after Christmas. This will be accompanied with a parent help booklet so you can see our strategies and help if needed.

Extra Information

- A termly newsletter will be sent highlighting curriculum coverage and upcoming dates.
- Please make sure everything is named - especially for swimming.
- We have an open-door policy, please talk to us if you have any questions or concerns, or if you want to inform us of anything that may be happening at home that could have an impact on your child.
- Emails - Please send to the office. They will be forwarded to us.
- Residential - Barton Hall booked for July. Dates and info to follow

Any questions?

If you would like to talk in private,
please catch us at the end.

Thank you for coming!

Please can you wait outside the classroom, and we will send out the children as soon as they are ready to leave.
