

Dear Parents and Carers,

As part of our Year 1 Science learning on Plants, including Trees, we are excited to be visiting Trebah Garden on Wednesday 4th November 2026.

During our visit, the children will explore the beautiful gardens and take part in activities designed to consolidate their learning about trees. The trip will support the children in identifying the different parts of a tree, recognising a variety of tree types, and observing similarities and differences between trees in a real-life environment.

Trip Information

Date: Wednesday 4th November 2026

Travel: Trust mini buses

Timings: Within the school day (please drop off and collect your child as normal)

Location: Trebah Garden

As we will be spending the day outdoors exploring the gardens, please ensure your child:

- Wears their **outdoor PE kit with school jumper / cardigan.**
- Has a **waterproof coat**
- Wears **sensible, comfortable shoes** suitable for walking and exploring
- Is dressed appropriately for the weather conditions on the day

To help cover the cost of transport and admission, a voluntary contribution of £8.00 will be added to your ParentPay account. If we do not receive enough contributions, the trip may not be able to go ahead.

We would love to have some parent volunteers for this trip, however these numbers are limited due to Trebah's adult ratios. If you are able to help, please indicate this on the form below and we will contact you to confirm your volunteer place. Please be aware that due to the numbers on the minibus, any volunteers will be required to meet us at Trebah.

Permission for this trip is covered by your child's annual consent. However, should you not wish your child to attend the trip, please speak to your class teacher or contact the school office.

Please complete the online form using the link below by **Wednesday 14th October** to confirm your child's lunch choice (a school provided packed lunch or a packed lunch from home).

If you have any questions regarding the visit, please do not hesitate to contact the school office.

We are looking forward to a fantastic day of outdoor learning and discovery.

Kind regards,

Year 1 Team
